

BOWLSLINK LOGON FOR MEMBERS

Bowlslink is a web-based application developed by Bowls Australia and used by All Bowling Clubs in Australia for the Administration of Members along with being the platform for competition entry and result scoring.

Bowlslink has been used since 2020 for team entry and scoring for all Pennant Competitions in Southern Tasmania.

For season 2022/2023, there will be a minimum of two persons per pennant division with access to Bowlslink to enable entry of pennant sides and results. These persons will/have been granted Level 2 Administration Access to Bowlslink.

All other members will be granted Level 1 access which enables members to update their Personal details and we ask that members to check and update as required.

From season 2022/2023, all members wishing to enter Bowls South and Bowls Tas Events will be required to do so via Bowlslink. Bowls South and Bowls Tas will not accept entries to events by any other means

For Season 2022/2023 Club Championships, Entry Lists will still be displayed on the Noticeboard and the Bowls Committee will enter all entrants into Bowlslink for each Club Championship event.

The first step is to ensure you have access to Bowlslink. All Club Members details have been entered into Bowlslink previously by the Club.

Below is a step-by-step instruction on how to log in to Bowlslink for the first time to set your User Password. Separate Instructions will be provided on how to maintain your personal details and enter competitions.
