In the upset of the day the once undefeated Div 3 side went down to a determined Bucks combination losing by 22 shots. Only Deano and his rink managed to stay up right with a 2 shot defeat. Did the weather sap their energy or were other influences at work? No TOW this week chaps!

Div 4's game was a washout at Oatlands as only about 5 ends were played till the rains came.

Robert was playing bowls when the white cricket ball from the adjoining cricket ground collected him. The 3rd umpire gave him out BBW. Is this is a world's first!
